Fees for Additional Service Offerings

12.8 Where Dimension Data adds a new offering to the Services (which was (i) not available for purchase and (ii) not included in the Usage Pricing Terms on the Effective Date of the applicable Order), the Fees payable for such new offering will be based on the then current Usage Pricing Terms, regardless of whether Client was on a Minimum Commitment Plan for previously existing Services.

(f) as the result of any Excusing Event, (collectively “Service Suspensions”).

Dimension Data will use commercially reasonable efforts to provide: (i) prior notice of a Service Suspension; and (ii) updates regarding resumption of Services following a Service Suspension.

14.2 Client Content stored on the Services may be unavailable during a Service Suspension. Without limiting Section 13, Dimension Data will have no liability for any damages, liabilities, or losses resulting from a Service Suspension.

15. Term and Termination

Term

15.1 This Agreement commences on the Effective Date of Client’s first Order and, unless terminated earlier, continues until the last expiration or termination date of any of Client’s Orders. The initial term of each Order will be stated in the Order. Subject to the terms of the applicable Order, each Order with a Minimum Commitment Plan will automatically renew for an additional 12 month period (each a “Renewal Term”) upon expiration of the initial term or the then-current Renewal Term, unless either party provides written notice of termination at least 90 days prior to the expiration date of the Order.

Limited Termination for Convenience

15.2 A party may terminate for convenience an Order by written notice to the other party with termination to be effective: (i) for Usage-Based Plans, no later than seven days following the notice; or (ii) for Orders with Minimum Commitment Plans, at the end of the Minimum Commitment Term.

Termination for Cause

15.3 Either party may terminate this Agreement (and all Orders) or any individual Order upon notice to the other party if the other party materially breaches any term or condition of this Agreement or any Order and fails to correct the breach within 15 days following notice specifying the breach. Without limitation, Client’s failure to pay Fees on time and Client’s (or any User’s) noncompliance with Section 4.2 will constitute material breaches. In addition, Dimension Data may terminate an Order or Services under an Order by notice to Client if it is unable to continue to provide the applicable Services because of a Force Majeure Event.

Effect of Termination

15.4 Upon expiration or termination of this Agreement or any Order:

(a) Dimension Data will cease providing and Client’s rights to access the applicable Services will stop

(b) all outstanding invoices will become immediately due;

(c) the remainder of all monthly Fees for the remaining Minimum Commit Term (if applicable) will become immediately due (termination by Client due to Dimension Data’s breach excepted); and

(d) Dimension Data will not be required to maintain or store, and may delete, Client Content hosted or stored in connection with the terminated Services, unless otherwise agreed in the applicable Order.

15.5 Either party’s termination of this Agreement or any Order will be without prejudice to any other remedies that it may have at law or otherwise, and will not relieve either party of breaches occurring prior to the effective date of termination. The following sections of these Terms will continue and survive after any expiration or termination: sections 2, 4.2, 4.4, 4.5, 8, 10.4, 11, 12, 13, 15.4, 16, and 17.

16. General

Severability

16.1 If the application of any provision of this Agreement to any particular facts or circumstances is held to be invalid or unenforceable by a court or tribunal of competent jurisdiction, then:
(a) the validity and enforceability of that provision as applied to any other particular facts or circumstances and the validity of other provisions of this Agreement will not in any way be affected or impaired thereby, and

(b) the provision will be enforced to the maximum extent possible so as to effect the intent of the parties and be deemed to have been amended without further action by the parties to the extent necessary to make the provision valid and enforceable.

**Governing Law and Jurisdiction**

16.2 The domicile of Client and the table at Section 17.1 determine the governing law and jurisdiction of this Agreement.

**Notices**

16.3 Any notice, request, demand or other communication required or permitted by these Terms will:

(a) be in writing;

(b) reference the Agreement and the applicable Order; and

(c) be directed to the recipient’s address or email address (or facsimile number if applicable) specified in the applicable Order by prepaid registered post, hand delivery, or facsimile, and will be deemed to be properly given when received. In addition, Dimension Data may provide general notices related to the Services (including updates to the Service Descriptions, Service Level Terms and Third Party Software Terms) at [https://www.dimensiondata.com/en/legal/Notices](https://www.dimensiondata.com/en/legal/Notices), and the parties may communicate regarding support related issues through Global Service Centre.

**Assignment**

16.4 Neither party may assign, delegate or otherwise transfer, whether voluntarily or involuntarily, by operation of law or otherwise, this Agreement or any of its rights or obligations under this Agreement without the prior written consent of the other party, except that:

(a) Dimension Data may assign this Agreement without the prior written consent of Client to an affiliate or in connection with a merger, consolidation, or sale of all or a portion of Dimension Data’s assets or business; and

(b) Dimension Data may have any of the Services performed on its behalf by its affiliates or other third parties.

16.5 Subject to the foregoing, the rights and liabilities of the parties are binding on, and will inure to the benefit of, the parties and their respective successors and permitted assigns. Any attempted assignment, delegation or other transfer except in accordance with this section will be ineffective.

**Dispute Resolution**

16.6 If a dispute ("Dispute") arises out of this Agreement or in connection with the Services the parties will attempt to settle it by negotiation. A party may initiate Dispute negotiations by emailing a demand for Dispute resolution ("Dispute Notice") as follows: (i) for Client, to the Dimension Data email address notified to Client; (ii) for Dimension Data, to Client’s email address as indicated in the applicable Order. Within five days of a Dispute Notice the parties must refer the matter to a committee of four consisting of two representatives from each party (the “Committee”). The Committee will meet and attempt to resolve the Dispute within 30 days of referral. The Committee will determine its own procedures and any decision of the Committee will be binding on the parties. If the parties are unable to resolve the Dispute they may commence legal proceedings in the relevant court having jurisdiction as determined by the table at section 17.1. Nothing in this section prevents a party from seeking interim or provisional relief concerning a Dispute, including a temporary restraining order or preliminary injunction.
Right to Reference

16.7 Unless Client advises Dimension Data otherwise in writing, Client consents to Dimension Data using its name in any of Dimension Data's marketing, sales materials, press releases, public announcements and case studies.

Waiver

16.8 Any waiver by either party of a breach of or a default under any provision of this Agreement must be in writing and will not be construed as a waiver of any subsequent breach of or default under the same or any other provision of this Agreement, nor will any delay or omission on the part of either party to exercise or avail itself of any right or remedy that it has or may have under the Agreement operate as a waiver of any right or remedy.

Feedback

16.9 If Client provides suggestions for changes or improvements or other feedback (“Feedback”) about the Services or any of Dimension Data’s products or services, Dimension Data may use the Feedback for any purpose without obligation or payment of any consideration and Client assigns to Dimension Data all right, title and interest (including intellectual property rights) in and to the Feedback.

Force Majeure

16.10 Except for the payment of Fees, neither party will be liable to the other for failure or delay in performing its obligations under the Agreement if the failure or delay is due to circumstances beyond its reasonable control, including acts of any governmental body, war, insurrection, sabotage, embargo, fire, flood, strike or other labour disturbance, interruption of or delay in transportation, interruption of or delay in telecommunications or third party services, or inability to obtain raw materials, supplies or power used in or equipment needed for provision of the Services (each, a “Force Majeure Event”).

Relationship of the Parties

16.11 Nothing contained in this Agreement will be deemed or construed as creating a joint venture, partnership, agency, employment, or fiduciary relationship between the parties. Neither party, nor either party’s agents, have any authority of any kind to bind the other party in any respect whatsoever, and the relationship of the parties is, and at all times will continue to be, that of independent contractors.

No Third Party Beneficiaries

16.12 Nothing in this Agreement, express or implied, confers or is intended to confer on, any person other than the parties and the respective successors or permitted assigns of the parties, any rights, remedies, obligations or liabilities.

Changes to the Terms

16.13 Subject to Section 16.14, Dimension Data may change these Terms from time to time including when required by law or governmental entities (a “Regulatory Change”). Dimension Data will provide notice to Client of changes including by uploading and making available the updated version of these Terms. Client’s continued use of the Services following a change will be deemed acceptance by Client of the change provided that any material change to these Terms will not apply retrospectively to a claim or dispute between Client and Dimension Data in connection with these Terms that arose prior to the date of the change.

16.14 If Client is using Services under an Order with a Minimum Commitment Term, then Client may, on giving Dimension Data notice within ten business days of the applicable change, elect not to have the change apply and to continue to use the Services for the remainder of the Minimum Commitment Term under the previously existing Terms.

No Presumptions
16.15 If an ambiguity or question of interpretation arises the Agreement will be construed as if drafted jointly by the parties and no presumption or burden of proof based on authorship will arise favouring one party over the other. Client waives any claims or defences regarding the validity or enforceability of this Agreement arising from the fact of electronic submission or presentation of the Agreement to Client.

**Entire Agreement**

16.16 This Agreement is the entire agreement of the parties on the subject matter and supersedes any previous understanding or agreements. Except as otherwise provided with respect to updating of certain terms by Dimension Data, no modifications, additions, or amendments to this Agreement will be effective unless set out in a writing referencing this Agreement and signed by a duly authorised representative of each Party.

**Precedence**

16.17 If there is any conflict or inconsistency between these Terms and the terms in any other document that forms the Agreement then:

(a) the terms in an Order will take precedence and resolve the conflict or inconsistency solely with respect to the specific variable terms included in the Order concerning pricing, payment, term, termination, or specific Services ordered; and

(b) these Terms will take precedence with respect to all other matters.

**Interpretation**

16.18 Headings are inserted for reference purposes only and do not affect the interpretation of the Agreement. For the purposes of interpreting this Agreement unless the context otherwise requires:

(a) the singular includes the plural, and the plural includes the singular;

(b) the words “include” and “including” will not be construed as terms of limitation, and will mean “including without limitation”;

(c) the words “writing” or “written” mean reduced to writing whether in electronic or hard copy form;

(d) references to the parties will refer to their permitted successors and assigns; and

(e) references to any document, agreement, instrument or statute mean that document, agreement, instrument or statute as amended from time to time.
