Vienna 1

## Vienna 1 Data Center

Our Vienna 1 Data Center is only a 20-minute drive from Vienna International Airport, and a 25-minute drive from central Vienna.

## Features and benefits

### Flexible and scalable design

Vienna 1 is a brand new purpose-built data center facility with expansion capacity to support your future business expansion.

### Latest technologies

This data center's latest cooling system technology, free cooling, and cold-aisle containment offer the highest level of energy efficiency.

### Excellent connectivity

There is a Vienna Internet Exchange (VIX) point of presence (POP) on-site at Vienna 1 to connect you to major networks.

## Specifications
